AQUA

As well as providing an alternative exercise environment, working in the water adds support to your body to reduce the risk of strain and injury, and has less impact on joints, helping you to tone and shape whilst increasing your range of motion

SPINNING

Indoor cycling, this class will get your heart racing and take you on a ride to help achieve your fitness goals. Energetic instructors will motivate you through a variety of terrains designed to burn calories in a super-fast time and leave you with an endorphin high.

PILATES

This is a body conditioning routine that helps build flexibility, longer leaner muscles, and strength and endurance in the arms, legs, abdominals, hips and back. It puts emphasis on spinal alignment and breathing techniques to aid relaxation and decrease stress levels. This low level class can also help build a stronger core and improve co-ordination and balance.

TAI CHI

Tai Chi is the balance between movement, thought and breathing. This is a positive interaction that realigns your body's senses and harmonises the thought process, leaving you with a more connected body structure and a sense of well-being.

LEGS, BUMS & TUMS

Focusing on hard to reach areas, this class uses isolated toning and strengthening exercises to create leaner muscles and elevated self-confidence.

HIIT Circuit

Endurance training, resistance training, and high-intensity aerobics performed in a sequence or "circuit." This method is effective for improving overall fitness in a short amount of time and can be adapted to various fitness levels and goals.

ZUMBA®

This easy to follow dance class combines a mixture of traditional Salsa, Samba and Meringue moves, choreographed to inspiring Latino style music. Let loose and party yourself into shape.

H.I.I.T

The fastest way to get fit and into shape. Short, sharp bursts of effort allow you to reach maximum training zones which is the secret to improved athletic performance.

Strength and Conditioning

A full body workout using a variety of exercises and techniques to focus on all areas.

HIIT/Step

High Intensity workout with Step option to make it more inclusive and varied in intensity level.

Low Level Circuit

A low impact circuit with varied muscle groups, lots of adaptations and variety, available to all fitness ranges and experience. Inclusive and Sociable.

YOGA

This is all about flexibility, range of motion, posture, and control of breathing. A range of stretches and holds will enable the body and mind to align, allowing you to adapt and conform to a stronger, more flexible skeletal frame.

All classes can be booked up to 7 days either online or over the phone.

FOR ONLINE BOOKING: We have introduced a new online booking system for gym, swim and classes. We would advise all members to register for online booking as this will make the booking process quicker and easier. For full details of how to access the booking system go to www.activeseptonfitness.co.uk

FOR PHONE BOOKINGS: If you do not want to use online bookings, you will be able to book by contacting your chosen Leisure Centre by phone.
