TRIM & TONE

A full body, low impact class which focuses on conditioning, sculpting and toning.

YOGA FLOW

This YF is one of the most popular forms of yoga. It is characterised by stringing various postures together, so the sequence moves in an uninterrupted flow.

The practice is aimed at activating and balancing the Hormonal and Endocrine systems of the human body, and increasing the quality of breathing and increasing Internal Lightness in the body.

One of the benefits of Flow Yoga is that due to the various postures, it is rare that two classes are alike. The class ranges from beginners to advanced

STEP

Includes a freestyle step aerobics routine, using a low step, with simple and fun cardio routines that are safe for your joints and brilliant for your fitness and wellbeing.

Youth Circuits

Session designed around gym users 11-16 years old circuit style class which aims to improve endurance and with all body workout.

SYNERGY

Primarily involves body weight and cardio interval work set in the fitness suite functional space. Each interval varies from 1-3 minutes alternating between strength and cardio. This workout will hit that sweet spot every time and have coming back for more.

HIIT STEPS

HIITSTEP is a high-intensity interval training (HIIT) workout that uses a step and dynamic bodyweight exercises. It has been designed to improve power, increase strength and burn hundreds of calories. The HIITSTEP workout contains voice over music tracks and pre-designed training sessions allowing instructors to deliver inspirational and motivational workouts.

All classes can be booked up to 7 days either online or over the phone.

FOR ONLINE BOOKING: We have introduced a new online booking system for gym, swim and classes.
