CLASS DESCRIPTIONS

VIRTUAL

LES MILLS™ Virtual workouts combine our world-leading fitness programs with pumping sound and motivation from some of the hottest instructors on the planet. Big workouts on the big screen. It's a truly inspiring experience that will drive amazing

ON DEMAND

Les Mills On Demand allows you to access motivating and effective workouts on our big screens, such as BODYPUMP, BODYBALANCE, CXWORX and more.

BODYBALANCE

The yoga-based class that will improve your mind, your body and your life. Strengthen your entire body and leave feeling calm and centred.

BODYCOMBAT

The high-energy, martial arts-inspired, non-contact workout. Punch, kick and strike your way to fitness.

BODYPUMP

The Original barbell workout. The full-body weights workout, BODYPUMP is for anyone looking to get lean, toned and fit – fast..

RPM

The indoor cycling class, set to the rhythm of motivating music. Burn calories and get

fit fast

SH'BAM

The fun-loving, insanely addictive dance workout – no dance experience required.

50+ KEEP FIT

A fitness workout designed to burn calories, increase fitness and improve energy levels using all major muscle groups to improve day to day movements and mobility.

CHAIR BASED EXERCISE

This light and easy to follow class on gentle movement, stretching and relaxation to help improve circulation, muscle strength and joint stability.

LEGS, BUMS & TUMS

Focusing on hard to reach areas, this class uses isolated toning and strengthening exercises to create leaner muscles and elevated self-confidence.

MEDITATION

Exploring a range of different meditation techniques each week. Learn how to remain calm in stressful situations and how to focus your attention and awareness. Allowing yourself to switch off and relax.

PILATES

This is a body conditioning routine that helps build flexibility, longer leaner muscles, and strength and endurance in the arms, legs, abdominals, hips and back. It puts emphasis on spinal alignment and breathing techniques to aid relaxation and decrease stress levels. This low level class can also help build a stronger core and improve co-ordination and balance.

SPINNING

Indoor cycling, this class will get your heart racing and take you on a ride to help achieve your fitness goals. Energetic instructors will motivate you through a variety of terrains designed to burn calories in a super-fast time and leave you with an endorphin high.

STEP

Stepping up and down on an adjustable height platform is the basis of Step Aerobics. Intensity is controlled by adjusting the height of the step as well as the amount of arm movements.

SYNERGY

Primarily involves bodyweight and cardio interval work set in the fitness suite functional space. Each interval varies from 1-3 minutes alternating between strength and cardio. This workout will hit that sweet spot every time and have coming back for more.

TOTAL CONDITIONING

Targets all muscle groups using cardio and strength training to improve fitness, health and wellbeing.

YOGA

This is all about flexibility, range of motion, posture, and control of

breathing.

A range of stretches and holds will enable the body and mind to align, allowing you to adapt and conform to a stronger, more flexible skeletal frame.

ZEN YOGA

A class centred around calming your nervous system. With elements of movement longer poses, breathwork and qi gong. The aim of the class is to help you relax and release tension, while providing deep stretches and toning.

All classes can be booked up to 7 days either online or over the phone.

FOR ONLINE BOOKING: We have introduced a new online booking system for gym, swim and classes. We would advise all members to register for online booking as this will make the booking process quicker and easier.
