Dear Valued Member,

RE: Active Sefton - increase in Lake Membership fees from May 2023

We are writing to inform that from **May 2023** your monthly direct debit fee for your Lake Membership will increase. We have ensured that we have kept the increase as low as we can, as highlighted in the table below (please check for your membership type).

Making this decision has been very difficult, we always try to ensure that our members receive value for money. Unfortunately, however due to an increasing in running costs, which are continuing to rise, the small increase will help us maintain the quality service that we provide to all of our members.

Membership Type	Current Price	Price From 1 st May 2023	Increase Amount
H2O Lake (Lake usage only)	£11.25	£12.50	+£1.25
H2O SUP Membership	£12.50	£15.00	+£2.50

We understand that this decision will affect our members in a variety of ways, but we are hopeful that you will understand and support us through this change.

Your direct debit will be automatically increased on your payment date in May 2023. You will not need to do anything for this direct debit to be processed.

Should you need to contact us, please feel free to do so on the contact details provided at the top of the letter.

Yours sincerely,

Active Sefton Team
