

# Active Sefton Update

Further to the announcement made by the Government yesterday about Liverpool City Region moving into Tier 3 from today (31st December 2020) we can confirm the 6 leisure centre will be open from Saturday 2nd January 2021 for usage of the fitness suites and swimming pools. Children swimming lessons will continue as planned.

Unfortunately, indoor fitness classes will cease until further notice.

Further information on direct debit payments will follow shortly.

The safety and wellbeing of our community and staff is our utmost priority and we are continuing to follow official guidance from Government, Public Health England, and relevant National Governing Bodies.

We will endeavour to keep all members updated during this time and once again would like to thank you for your patience and continued support.

For any Active Sefton related queries please contact [retention@sefton.gov.uk](mailto:retention@sefton.gov.uk). Staff will be back in the office on Monday 4th January 2021 and will reply as soon as possible.

Stay safe  
Active Sefton Team
