CLASS DESCRIPTIONS

VIRTUAL

LES MILLS™ Virtual workouts combine our world-leading fitness programs with pumping sound and motivation from some of the hottest instructors on the planet. Big workouts on the big screen. It's a truly inspiring experience that will drive amazing results.

barre

LES MILLS BARRE™ is a modern version of classic balletic training; a 30-minute workout designed to shape and tone postural muscles, build core strength, and allow you to escape the everyday. It may look beautiful, but don't underestimate the burn.

BODYBALANCE

The yoga-based class that will improve your mind, your body and your life. Strengthen your entire body and leave feeling calm and centred.

BODYPUMP

The Original barbell workout. The full-body weights workout, BODYPUMP is for anyone looking to get lean, toned and fit – fast.

RPM

The indoor cycling class, set to the rhythm of motivating music. Burn calories and get fit fast.

SHBAM

The fun-loving, insanely addictive dance workout – no dance experience required.

Sprint

A 30-minute High-Intensity Interval Training (H.I.I.T) workout, using an indoor bike to achieve fast results.

THE TRIP

THE TRIP is a fully immersive workout experience that combines a 40-minute multi-peak cycling workout with a journey through digitally-created worlds. With its cinema-scale screen and sound system, THE TRIP takes motivation and energy output to the next level, burning serious calories.

AEROTONE

Targets all muscle groups using cardio and strength training to improve fitness, health and wellbeing.

AQUA AEROBICS

As well as providing an alternative exercise environment, working in the water adds support to your body to reduce the risk of strain and injury, and has less impact on joints, helping you to tone and shape whilst increasing your range of motion.

BALLET BARRE

Focusing on the beautiful choreography of a modern version of classic ballet training. This workout is designed to shape and tone postural muscles, build core strength and improve balance.

CARDIOTONE

This class combines traditional fitness with toning exercises, perfect for those who want to burn fat and tone.

CHAIR BASED EXERCISE CLASS

This light and easy to follow class works on gentle movement, stretching and relaxation to help improve circulation, muscle strength and joint stability. This class includes standing behind the chair.

CIRCUITS

This circuit style fitness class aims to improve your endurance with an all body workout.

DANCE FITNESS

A fusion dance fitness party get your heart pumping and release your inner DIVA feeling strong and fierce when you leave!!

DANCE GOLD

A low impact, fun and friendly dance class for a gentle-medium workout. Great music, lots of dance styles and suitable for beginners or 50+.

FITSTEPS®

An energetic, upbeat dance class designed to achieve real measurable fitness results. The dance workout mixes the graceful steps of Ballroom and the up-tempo steps of Latin dances to create fun-filled classes where you don't even realise you're getting fit. Transform your body and have fun dancing to music that will get your heart pumping!

FITSTEPS® FAB

A dance fitness workout designed for people who love to dance, want to keep fit, but for a variety of reasons, prefer a lighter intensity, lower impact and perhaps a slower pace.

FITSTEPS® TONE

Combines the elegance of Fitsteps with toning and balancing exercises. Designed to improve you posture, function, balance and condition your body.

INDOOR CYCLING

Get on your bike and climb, sprint and jump your way to greater fitness levels with this medium-high intensity workout! Beginners always welcome as every level is included.

LBT

Focusing on specific areas, this class uses isolated toning and strengthening exercises to create leaner muscle and elevated self-confidence.

PILATES

This is a body conditioning routine that helps build flexibility, longer leaner muscles, and strength and endurance in the arms, legs, abdominals, hips and back. It puts emphasis on spinal alignment and breathing techniques to aid relaxation and decrease stress levels. This low level class can also help build a stronger core and improve co-ordination and balance.

SCULPT & TONE

A full body, low impact class which focuses on conditioning, sculpting and toning.

TAI CHI

This graceful class emphasizes deep breathing and mental focus, combining a system of slow movements to create balance, flexibility and calmness.

YOGA

This is all about flexibility, and control of breathing. A range of stretches and holds will enable the body and mind to align, allowing you to adapt and conform to a stronger, more flexible skeletal frame.
