Route directions

- › Start on Preston New Road, next to Bridge Wills Lane, Southport PR9 8NE
- › Cross over Preston New Road (*taking care as it is a busy road*) and to the left of the bus stop there is a narrow fenced lane (footpath), follow this lane which passes by Kingston Crescent (cul-de-sac), then leads onto Primrose Close.
- › At the end of the lane turn right onto Primrose Close and follow the road round to the left, carry on until it merges with Kingston Crescent.
- › Carry on down Kingston Crescent and at the end, turn right onto Ferryside Lane. There is a footpath at the end of this short road, follow this footpath (with playing fields to the left of it).
- › Towards the end of the footpath there is a narrow gravel pathway to your right, take this path which leads onto Crossens Way.
- › At the end of Crossens Way turn left on to Marine Drive, carry on on this road for a short while, crossing over the road that leads to the sewage works (also called Marine Drive).
- › Where the footpath on this side of the road runs out cross over Marine Drive (*taking care as it is a busy road*) and go through the 'A' frame metal gate directly in front of you onto a gravel footpath.
- › Follow this gravel footpath which runs to the right hand side of a high banked river, until you come to the next 'A' framed metal gate.
- › Go through the gate and turn right on to Banks Road, follow the road until you reach The Plough Roundabout, cross over Marine Drive onto Preston New Road and back to the start of the walk.
