Dear Valued Member,

RE: Active Sefton - increase in membership fees from April 2022

We are writing to inform that from **April 2022** your monthly direct debit fee for your Active Sefton membership will increase. We have ensured that we have kept the increase as minimum as possible, as highlighted in the table below (please check for your membership type).

Making this decision has been very difficult. We always try to ensure that our members receive value for money and as such we have kept our fees frozen for the last 4 years. Unfortunately, however, due to an increase in running costs over the last few years, which are continuing to rise, the small increase will help us maintain the quality service that we provide to our members.

Membership Type	Current Price	Price From 1 st April 2022	Increase Amount
Activate Single (Committed)	£30.00	£31.00	+£1.00
Activate Single (Non-Committed)	£38.00	£40.00	+£2.00
Activate Concession	£23.00	£24.00	+£1.00
Activate Buddy	£27.00	£28.00	+£1.00
Activate Corporate	£27.00	£28.00	+£1.00
Activate Youth	£17.00	£18.00	+£1.00
Activate Junior+	£15.00	£16.00	+£1.00
Activate Junior	£12.00	£13.00	+£1.00
Active Sefton - Swim Pass	£20.00	£22.00	+£2.00

We understand that this decision will affect our members in a variety of ways, but we are hopeful that you will understand and support us through this change. We wanted to highlight some benefits that your membership provides you with.
